Online Registration for Summer Season

Registration for the upcoming summer baseball season is now open! Registrations are occurring online through our website: www.baseballwestisland.com. The process is fast and easy and your payment will be immediately processed.

When registering, please be sure to provide us with an email address that is checked regularly. Baseball West Island uses email as the primary method of communicating with players and parents for important information before and during the season (e.g. camps, try-outs, etc.). Additional information will also be available on our website.

Junior Players

This summer, Lac St-Louis is planning to create a Junior A division. The division will be mixed and open to all Junior-aged players, including former Midget B and A players who will be Junior age in 2021. The division will be open to all players in the Region and the Region will try to find places for those who wish to play. If you are interested or wish for more info, please contact us!

Volunteers Needed

BWI encourages parent/family involvement and volunteering. There are many positions within the organization where help is needed, from coaching and managing teams to positions with the association's operating committee. Please do not hesitate to get involved. It is an extremely rewarding experience. Come join the BWI Family.
